Background

About Film Hub Midlands

Film Hub Midlands a driving force behind film culture in the Midlands. By providing funding and training, we aim to help more people in the region watch, make, and show films.

Film has the power to bring people together, change hearts and minds, as we well as entertain and delight - this most democratic of art forms should have no barrier to entry and we are passionate about being inclusive and open to all.

The BFI Film Audience Network (FAN) was set up in 2012, using funds from the National Lottery to support a stronger and more connected approach to growing audiences for British and international film on the big screen.

About Major Programmes

Film Hub Midlands is the cross FAN lead for Major Programmes – a four-year, UK-wide, film programming initiative that deliver two National film seasons each year: one of which is led by BFI (Blockbuster) and one which comes from within the Film Audience Network membership.

The aims of the Major Programmes initiative are to:

- increase audience engagement with film and deepen the quality of cultural experience
- increase the confidence of FAN members to screen a wider range of films
- boost the engagement of audiences aged 16-30
- Increase the diversity of FAN audiences
- Raise the profile of film as an art form and create a dialogue about its place in our cultural life
Aims of the brief

Major Programmes seasons have the potential to reach thousands of people and to work with hundreds of creative and cultural organisations. We are keen to maximise the visibility of projects and venues taking part in programmes across our network, to tell the story of the value and unique cultural offer of specialised film and, ultimately, to attract and retain new audiences for cinema in the UK.

We will deliver two annual, national, film seasons across the UK over four years 2018-2022 (eight seasons in total). Our delivery budget is significant: circa £300,000 of our budget annually is distributed to FAN members to deliver activity, on top of which a further £120,000 is leveraged in box office income, 3rd party funding and in-kind contributions.

In 2018, our programmes reached more than 22,500 people across the UK attending our events in person, and a further 130,000 people engaging online with specific events, projects and our wider, audience-facing campaigns.

Our ambition is to maximise the potential partnerships and match funding of our project, making best use of resources and reach across the Film Audience Network (FAN).
